

Fleet

- A very modern and durable lantern to complement contemporary architecture and modern developments. Based around a cast aluminium chassis the lantern offers hinged gear and lamp access along with a IP66 sealed optical compartment.
- Modern luminaire with attractive proportion
- Various optics/reflector options to reduce light pollution and skyglow, while providing a variety of distributions appropriate to most applications
- Ease of maintenance with no-tool access and ¼ turn sealed lamp holder design
- IP66 optical compartment

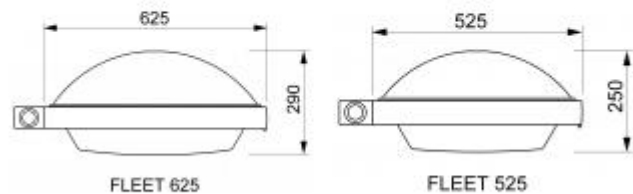

Technical info

Materials	Body: Cast aluminium LM6 chassis with spun aluminium canopy Glazing: Double UV stable polycarbonate, Acrylic optional
