

Kelvin

- A traditional, classic conical lantern with one piece polycarbonate glazing. Available in two sizes, and with optics suitable for road lighting and amenity applications. Both versions are also available with a crown.
- Cast aluminium base, uprights and brim
- Strong classic design with one piece polycarbonate glazing
- Various optics/reflector options to reduce light pollution and skyglow, while providing a variety of distributions appropriate to most applications
- Ease of maintenance with no-tool access and ¼ turn sealed lamp holder design
