

Lina

- The Lina is a fully die-cast aluminium lantern which is fully recyclable. Its stylish design and robust construction offer a highly vandal resistant luminaire suitable for the harshest of environments.
- Modern street lighting luminaire
- Various optics/reflector options to reduce light pollution and skyglow, while providing a variety of distributions appropriate to most applications
- Ease of maintenance with no-tool access and 1/4 turn sealed lamp holder design
- IP66 rated

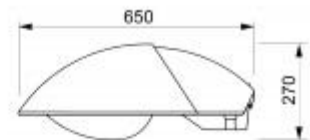

Technical info

Materials	Body: Pressure die-cast aluminium Glazing: Double UV stable polycarbonate, toughened tempered glass option
Ingress Protection	IP66 optical compartment IP44 gear compartment IP66 optical compartment IP66 gear compartment option available IP66 - Sealed Lamp compartment
